

I love living at Peachtree Crest
because Karen makes it feel like my
home. She makes special ^{dishes} dishes for
us and gets us anything we need to
make it look like the "Wii". We can
play on TV and ^{reads} read to us and plays
games with us. We also celebrate our
Birthdays and she also decorates for
Halloween, Thanksgiving and Christmas
and we have the best of all an assistant
living care offers. We have employees
to help us. They wash our clothes & dry them
& put them back in our rooms. They cook
3 meals a day and 2 snacks. We can
watch movies, do puzzles, color pictures
sit on the porch, visit with other
residence. I love the freedom to
do what I want.

Please keep the family
strong here always

Thank you,

I couldn't be anymore pleased
with the personnel

If there is something for a meal I don't
like, all I have to do ask to make me a
sandwich and they make it for me.

They let me have my independence here,
my room here is like being at home,

My first day at Peachtree everyone made me feel welcome & greeted me. Karen & Kelley have made me feel safe, sound, & happy. Both of them put the residents above everything. ~~if I ever have any problems~~ if I ever have any problems Karen & Kelley have taken care of them. We have a wonderful family at Peachtree. We always do activities like making dolls, etc. I love it at Peachtree. All the staff & residents are always so sweet & friendly. This is my home. It's been a great 3 years at Peachtree that I have loved every minute & every person here. I thank God for all he has given me to be at Peachtree & for it to feel like my home.
